Friends Membership Renewal for July 2021

We rely on your continuing membership support for our Library, the very heart of our community, to:

- sponsor our wildly successful spring and fall book sales;
- run the best December Greens Sale and Spring Garden Sale;
- support Library programs that serve all age groups;
- provide special funds for renovations in the Library Community Room;
- preserve the physical structure of our historic building;
- maintain our award winning shade and sun gardens.

Members receive advance notice of Friends events, preview access to members only book sales, and discount at the Friends Book Store on 20th at the Parkway.
